

Certificate of Temporary Accreditation

Voluntary Carbon Standard Program

27 June 2009

This is to certify that Perry Johnson Registrars CDM, Inc has been awarded temporary accreditation by the VCS Association to perform validation and verification under the VCS Program for a period of 12 months from the date of this certificate.

During this period, Perry Johnson Registrars CDM, Inc is eligible to perform validation and verification under the VCS Program in line with the VCSA Validator Verifier Agreement signed with the VCS Association.

Temporary accreditation to perform validation and verification under the VCS Program is granted for the following sectoral scopes:

- 1 - Energy industries (renewable / non-renewable sources)
- 4 - Manufacturing industries
- 9 - Metal production
- 13 - Waste handling and disposal

Kind regards,

A handwritten signature in black ink, appearing to read 'David Antonioli', is written over a horizontal line.
